VENUE INFORMATION

Capacity:

The Basement venue at Komedia has a selection of different formats and stage sizes per the requirements of your show, these can be discussed at point of booking:

Cabaret seating: 250-286

Small stage: 286 (inc booth seating)

Large Stage: 250 (inc booth seating)

Seated in rows: 300 (inc booth seating)

Standing Large Stage: 400

Stage:

Small stage: Fixed stage measuring 5m wide by 2m deep and 46cm high.

Large Stage: Extended by the addition of in house aluminium metrodeck, measuring 7m wide by 3m deep and 46cm high.

Please note that changing stage size may incur drop in capacity.

The Komedia Basement has a low ceiling height, the lowest clearance point on stage is 2.5m due to a structural girder.

Bar and Kitchen:

The Komedia Basement has a fully stocked bar inside the venue and a kitchen available on some types of show. Traditionally the bar is open pre-show and interval and closed at the top of the show. We request an interval or support act where possible.

Merch

Komedia does not charge commission on merch, but does not supply a seller as standard, please get in touch before your show to secure a merch seller and receive a quote. Merch position will be inside the venue.
