VENUE INFORMATION

Capacity

The Komedia Studio is an intimate venue with a range of audience formats dependant on show:

Caba-rows: (small tables at front, rows behind): 80

Children's show: (carpet on venue floor and rows behind): 80

Seated in rows: 90

Standing: 150

Bar

The Komedia Studio has a fully stocked bar inside the venue. Traditionally the bar is open pre-show and interval and closed at the top of the show. We request an interval or support act where possible.

Merch

Komedia does not charge commission on merch, but does not supply a seller as standard, please get in touch before your show to secure a merch seller. Merch position will be inside the venue near the venue entrance.

Stage

The stage is black box style and fully draped in wool serge curtains. The stage is 3.5m deep x 3.5m wide. Tying back the rear drape makes this depth 3.8m.

Stage deck floor to ceiling is approx 2.6m, the stage is 40cm high from auditorium level. Steps can be provided from stage to auditorium level.

Please note: The studio stage has no wings. Access to the studio dressing room is on a separate floor from the venue.

SOUND

Desk

Midas M32 Digital Console (analogue multicore)

PA

The FOH rig is a pair of D&B C690 rigged speakers, powered by E-Pac amps and two D&B C7 sub-woofers powered by a D&B D-12 amp

Monitors

4x matching DAS audio Action 12's. Powered by 1x power-soft T304 amp. 4x individual mixes on wedges, 4x additional sends onstage for IEMS etc.

Guest Desks

We have 1x 30m shielded CAT 5 with slack on stage and in front of control. Any guest desk must be agreed to prior to performance as guest desks in the room will incur a drop in capacity. There is no space for additional desks at control position.

Mic/DI Stock

Komedia has a range of mics and DI's across both venues. Please send a technical rider to emmahenderson@komedia.co.uk to begin advancing your show.

We can supply all XLR, stands and 13amp ext in house.

Studio Mics
